PRESCHOOL REGISTRATION FOR FALL 2010

It's not to late to register for the upcoming school year. Registration is open to all families. It is a good idea to register now to make sure you get the class you would like for your child. Tell your friends, family and neighbors spots are still open.

Please call, e-mail or stop by the front desk at preschool to pick up the registration forms from the director Lisa Curtis.

BASKET RAFFLE FUNDRAISER

We are having a basket raffle to help offer an affordable Christian preschool experience for all children in our community, and help buy preschool supplies through out the year.

Ebenezer Preschool provides a limited number of scholarships for students entering the four/five-year-old classes. Contributions to our scholarship fund are accepted with much appreciation and will enable us to provide scholarships to a greater number of families. Flyers will come home with your preschooler explaining how the raffle will work. Any questions please call the preschool @ 425-397-6374
